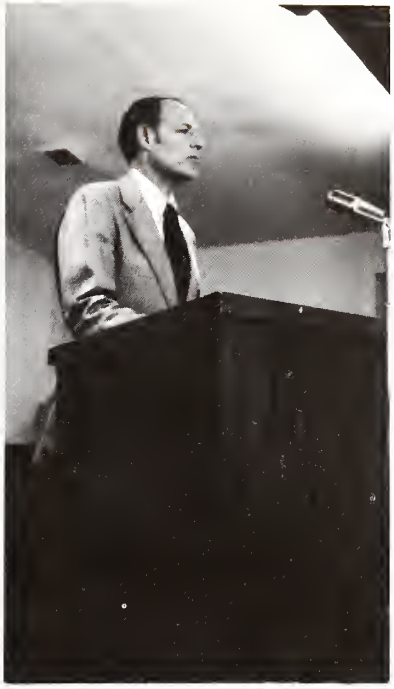
DR. WILLIAM D. BOYD

The Annual is presented in honor of Dr. William D. Boyd, for his loyal and faithful service to the faculty, staff, and students of Western Bible College.

1967-1973 Chairman, Department of Christian Education
1973-1978 Academic Dean
1978-1984 President



Dr. Boyd was a man committed to all aspects of W.B.C., whether in sports or activities, chapels or radio, one on one, or in a group.

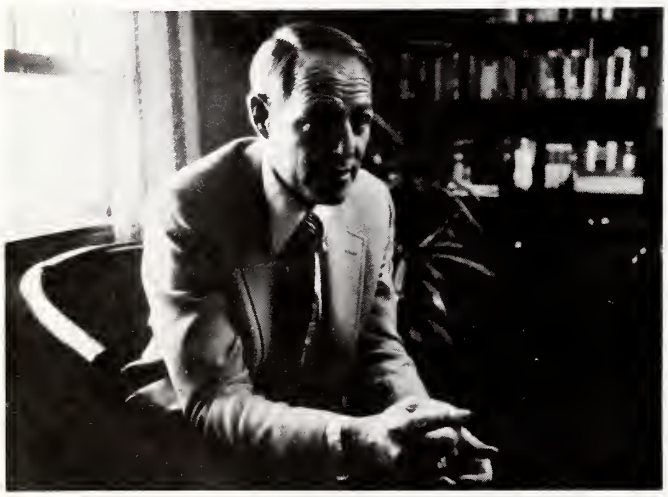
Pastor — Teacher
Leader — Builder
Educator — Friend
Servant of the Lord

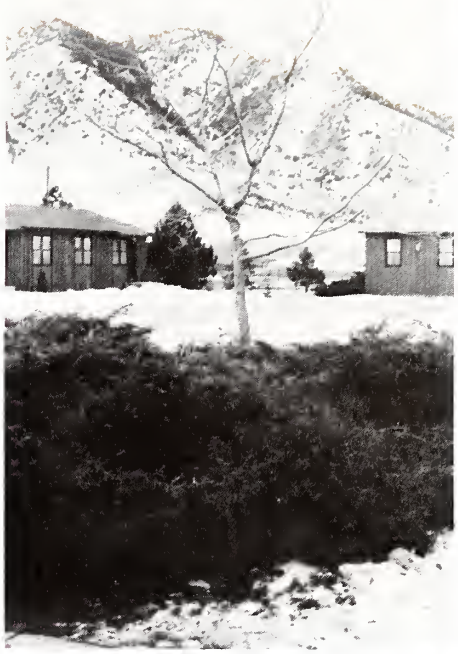
In his 17 years of service with Western Bible College, he touched the lives of many and made a lasting impression on the college. Dr. Boyd, born and raised in Texas, began his life in the Lord in 1960. He completed 4 years of college at Texas Tech, followed by graduate training at Dallas Theological Seminary. After graduation from seminary in 1964, Mr. Boyd relocated to Tacoma, Washington, where he held the position of Associate Pastor at Lake City Community Church for 2 years. In 1967, Dr. Boyd became part of the Western Bible College family. He began as Chairman of the Department of Christian Education, followed by Academic Dean, then finally as President of the college from 1978-1984.

Dr. Boyd was instrumental in the development of Western's CTE program, added to the curriculum in 1979. Because of its excellence, the CTE department was later approved by The Association of Christian Schools International for Teacher Certification Status. Dr. Boyd also began the Foothills Bible Church in 1974. The congregation originally met in the WBC chapel but through growth and expansion has moved to its present facility on West Belleview Ave. Enrollment reached its peak during Dr. Boyd's Presidency in the fall of 1982.

Although William Boyd's accomplishments cannot and should not be undermined, his truly outstanding accomplishments occurred in the hearts and lives of people. His orientation was that of eternal values. Those that worked with Mr. Boyd, felt he evidenced a deep hunger for the things of God. He is described by WBC faculty and staff as a man who really lived what he believed. Teaching was his most prominent gift as he provided refreshing yet convicting illustrations that made his messages applicable to daily life. Students described Dr. Boyd as a good listener — always finding time to talk with students and encourage their efforts. Discipleship was a primary concern of Dr. Boyd as he spent much time training students for ministry.

Dr. Boyd possessed an eternal optimism that prevented failures from overcoming him. He truly performed his work "as unto the Lord" (Col. 3:23) with an attitude of humility and servanthood. His life reflected our Lord's love and power, and Western Bible College will most certainly feel the impact of his work for years to come.



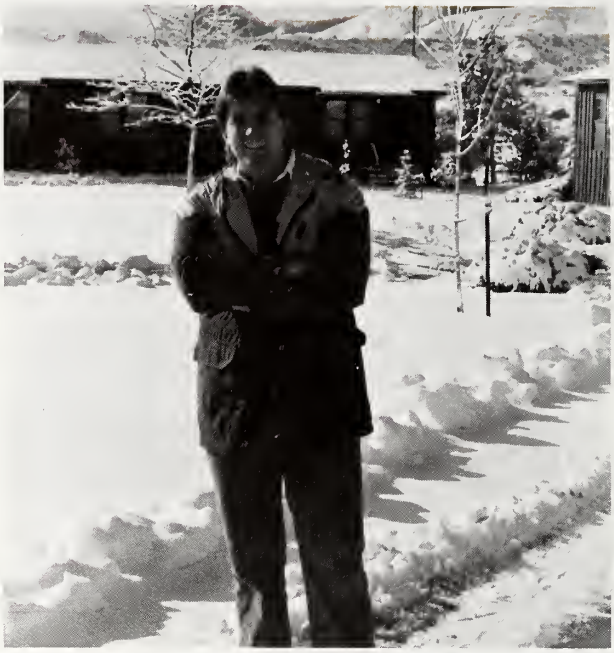


STUDENT LIFE

What is a campus without students?
What is a body without life?

It is students who make up the life of Western Bible College, and this is the story of how they did it in the whimsical year of 1983-84.

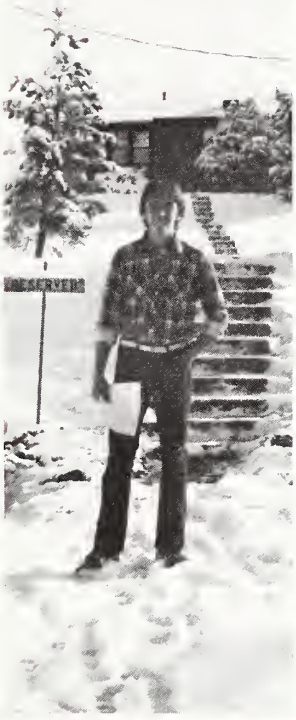
UNITY

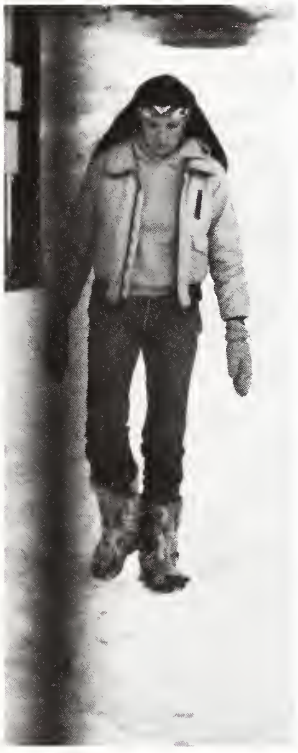


FOR WESTERN?

With the heart and soul of two men, Steve Thompson, president, and Colin Green, vice-president, the Student Council set out on a brand-new adventure to bring unity to the family of Western.

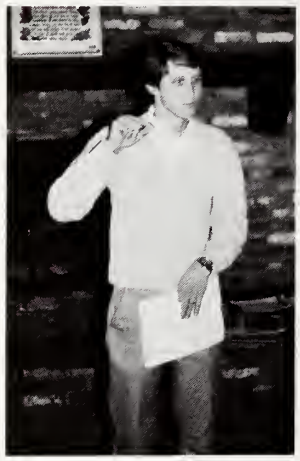
As they began to unfold this new program, many were skeptical, "Would it work? Can a House System help me develop deeper and stronger relationships with my brothers and sisters?" So many lonely individuals. God, bring us together. Make us one.

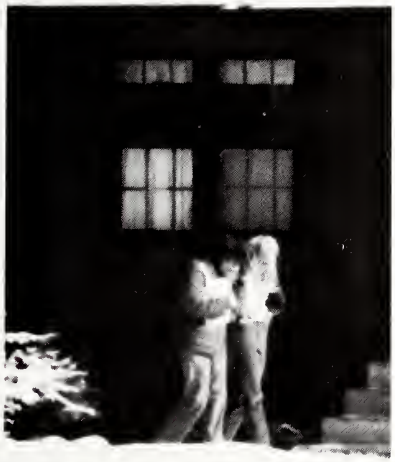


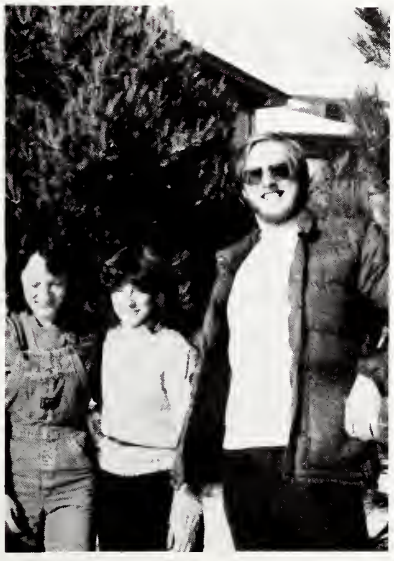


SLOWLY BUT SURELY UNITY BEGAN

With constant encouragement from the student leadership, people began to reach out and form new relationships. One by one students were coming together, supporting and loving one another. A new body was forming.





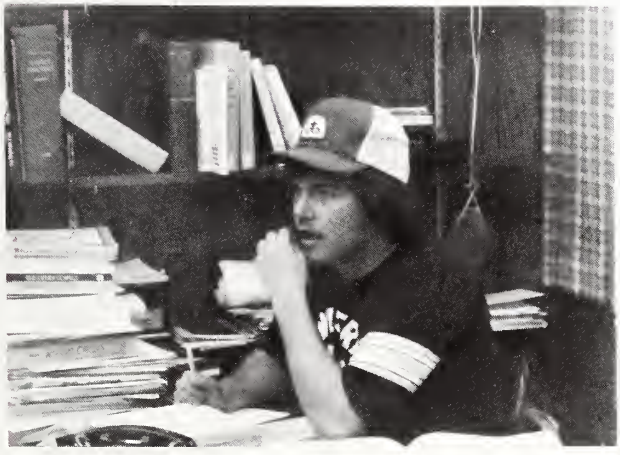


GO
BIG RED
WBC

All over campus, people were starting to come together. New friendships were being formed, (some that will last a lifetime). With the common goal of serving Jesus Christ, the living body of W.B.C. molded itself into one family.

Despite the struggles and disappointments, love for each other continued to grow. New students were readily accepted and asked to take part. Upper-classmen contributed leadership and support. Faculty set the example with their lives and wise counsel.

It began to spread everywhere. Love for God and each other was overflowing both on and off campus. Even with work and studies, faculty, staff, and students were finding time to sing, to laugh, and to play together. Western was not just hallowed halls to be filled with Biblical knowledge, but children of God to be filled with the Love of the Master.



VICTORY

UNITY WAS HERE

House Song

Alpha Tau Gamma's got Spirit and we know we're hot — No fools — each play it smart. Everyone on our team's a star. We've got a running game that can't be beat. Strategies that give them heat. We're a team that made the play-offs — with humility.

HOUSE VERSE

You are the salt of the earth; but if the salt has become tasteless, how will it be made salty again? It is good for nothing anymore, except to be thrown out and trampled under foot by men.

BOND SERVANT

A Hebrew's servant, who preferred not to accept freedom in the seventh year, but wished to remain in his master's house, was brought before the elders and had his ear bored against a post with an awl in token of lifelong servitude. (Exod. 21:6, Deut. 15:17)

ΔIX SONG

The Imperial's song, Part-Time Servant, off the album, Stand by the Power, states: "... I am ready. I am coming full-time to you. So Lord come on in, cause I want to start all over again. From this day on my life's an open door. I won't be your part-time servant any more."

INTRAMURALS

FALL SPORTS

Softball and football started a year of intramural competition between all the new houses. It seemed like ΦΤΚ had all the talent as they swept softball 3-0, leaving the other houses to scrap for one victory each. With the start of flag football things began to even out. ΑΤΓ and ΚΚΕ now became the houses to beat in both the men's and women's divisions.

HOUSE SPIRIT

Not only were houses awarded points for winning, but just as important, houses were awarded points for the spirit in which competition took place. Everyone was encouraged to be involved. Houses developed themes, songs, chants, and more, in order to show their enthusiasm. With the identifying mark of identical shirts, many more were able to become part of their team, why, even just being there counted.

COMPETITION

Again it seemed as though ΦΤΚ was going to run away with it. Yet slowly all three other houses began to develop its own personality as the weeks and months rolled on. Yet the spirit of ΦΤΚ could not be broken, and they won the award both semesters in a row.

Spirit is what keeps us going. Spirit is what draws us together. Spirit is the result of unity.

BASKETBALL

Men's and women's basketball was the highlight of intramurals competition. Each Saturday afternoon many would gather down at Bear Creek Elementary to throw 'em through the hoop, (the balls, that is). The ladies showd a keen sense of spirit and determination as they played just as seriously as the men. Those with outstanding shooting abilities kept the games very competitive, while those who were average brought fun and fellowship to each match.

VOLLEYBALL WALLEYBALL

Wall E. Ball Talks About Saturday's Game

"Yeah, Ed, I was really surprised more people didn't come to meet me last Saturday. Here I was, expecting to meet 8 to 10 people from the houses of ΚΚΕ and ΑΤΓ at 9:00 a.m. – and one showed. The game at 11:00 a.m. was a bit better and the 8 people that played had a good time playing off the walls. I hope next week will get more people involved. You know, it only takes four or five people from each house to play. Well, Wall, hopefully more *will* be out next Saturday. By the way, are you any relation to Vol E. Ball?

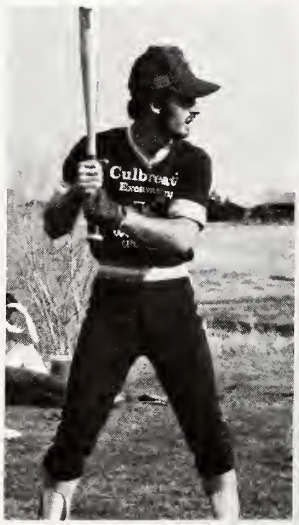
WESTERN BIBLE VS DENVER BAPTIST

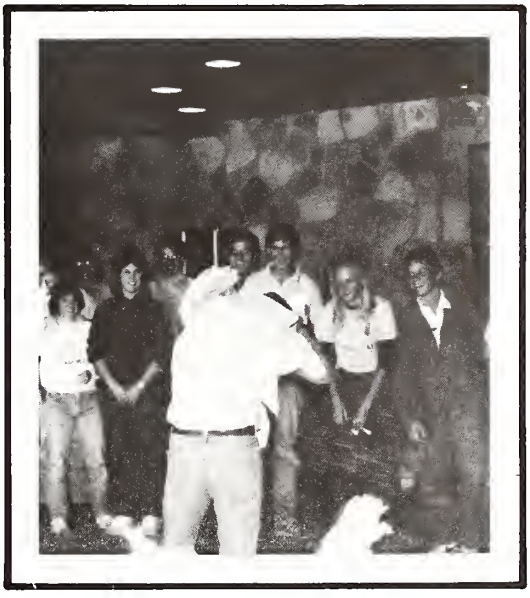
THE WESTERN SWINGERS STRIKE AGAIN



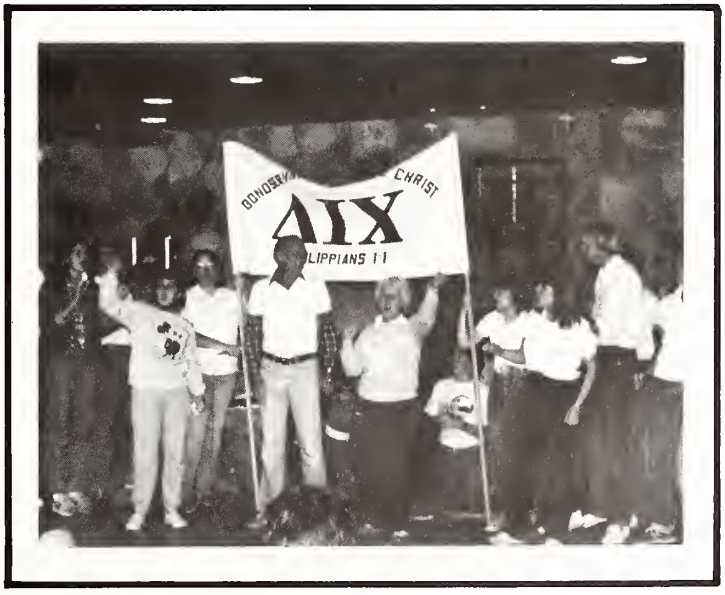
WELCOME TO WESTERN

TIME TO RETREAT

A fun weekend at Liken Guest Ranch. It was loaded with games, food, and relaxation. The weekend allowed for the opportunity to introduce the new house system, as well as gain spiritual insight form the sessions with Dr. Ralph Alexander.



Part of the Retreat included a presentation from each house. The houses were to introduce to the rest of the student body their House Song, Cheer, and Theme.



WANNA RACE?

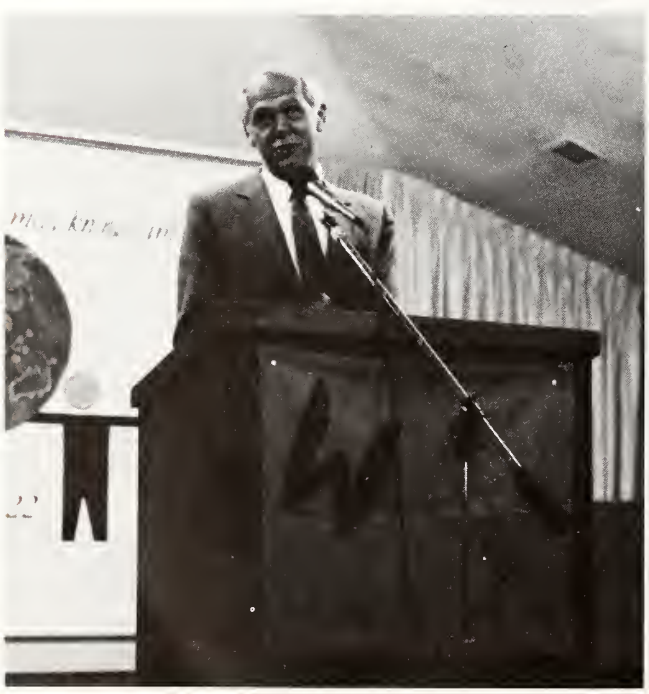
That's what Western Bible College said this year to the feat of building unity among students, faculty, & staff. Pictured here is the chariot race on House Day — this, the intramurals, is only one part of the House system. Also included in the race for unity are academics, missions projects, public services, and spirit. These, of course, are only the methods of getting people together — the true unity comes from each individual. This year, 1983-84, has only been the start of the race, much more is still ahead.

Because this is our first year with a new program, we would liketo extend a sincere Thank-You to everyone who put hours of hard work into helping it all go over and to all those who patiently cooperated. Thanks again and we hope you will continue to support our school through the House System.

WHERE MISSIONARIES BEGIN

A very important activity that occurs at Western each year is the week-long Missions Conference which is also called the World Awareness Encounter. This year our guest speakers were Mr. Ron Blue, Chairman and Associate Professor, Department of World Missions, Dallas Theological Seminary; Mr. Oscar Baldemor, Executive Director of Conservative Baptist Association of the Philippines. As well as these two terrific speakers there were also several missionaries here representing different mission boards, directing seminars and workshops, and spending time with the students personally, answering any questions they might have about missions. Bill Scott, Africa Inland Mission; John Clark, Bible Christian Union; Carl Hayes, Chinese World Mission Center; Randy Mathew and Frank Pardue, Conservative Baptist Foreign Missions Society; Jim Walsh, Greater Europe Mission; Joseph Lulich, Independent Missionary; Dave Meschke and John Hobson, Overseas Christian Servicemen's Centers; Maurine flowers, Overseas Missionary Fellowship; Joe Goodman Regions Beyond Missionary Union; Maynard Mathewson, Rural Home Missionary Association; Kirk Dunham, The Evangelical Alliance Mission; Ray Cheyney, Village Missions.

MISSIONS CONFERENCE



Throughout the Missions Conference the missionaries took time to fellowship with the students. Three specific occasions which were arranged were the International Buffet for the married students, the Dessert Fellowship in faculty-staff homes for single students, and the concluding banquet at the Ramada Renaissance.

Shout to the East – Shout to the West – God is the One God – leave all the rest. Call to the nations, call to the soul, offer salvation, Go, let God make them whole. Never forget where you've come from, Never forget what He's done, Never forgotten He saved you, Never forgot by His Son. Shout to the East, Shout to the West, God is the One God, leave all the rest. Call to the nations, call to the soul, offer salvation, Go, let God make them whole, Go, let God make them whole.

WHAT'S BIGGER AND BETTER THAN . . .

COLLEGE DAZE!

STUDENTS VS FACULTY & ALUMNI

Each year Western Bible College takes a little time out to introduce itself to high school students. These students are treated with special care; they are placed into dorm rooms with Western students. They attend classes and have sessions during which they can ask *anything* about the school. Special presentations are performed for them, a lavish feast is prepared (snacks of course), a special ball game is played in their honor, and a day of skiing finishes it off.

Our Cheerleaders, Marcy and Wanette

Western students also get a chance to participate in College Daze by extending their hospitality, making new friends, and sharing fun times and experiences with their high school guests.

It was packed with leis, Hawaiian food, men in grass skirts, a hula hoop contest, and the Limbo. Great job Alpha Tau Gamma, it was a smash hit — shall we try it again?
